Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. §1.56, Applicant hereby submits the following information:

- Microsoft Computer Dictionary, Fifth Edition, 2002, page 406.

The Examiner brought this information to the undersigned's attention during an interview conducted at the USPTO on October 9, 2007, in connection with the above-identified application. During the interview, the Examiner relied on this information to support at least one position taken in the rejections set forth in the Office Action dated June 15, 2007. It is believed this information should be made part of the official record because the Office appears to consider this information material to the patentability of the pending claims. Accordingly, it is requested that the Examiner acknowledge this document and so indicate by initialing the attached PTO/SB/08B.

Because the information submitted herewith was newly presented during an interview prior to Applicant's reply to the June 15, 2007, Office Action, it is believed Applicant need not satisfy the requirements of 37 CFR 1.97 and 37 CFR 1.98 (see, MPEP § 609.05(c)). Accordingly, no fee under 37 CFR 1.97 and 37 CFR 1.98 is believed due with this submission.

It is requested that an Examiner-initialed copy of the attached PTO/SB/08B form be returned to the undersigned.

Respectfully submitted,

Potomac Patent Group PLLC
